

The Republican.

SATURDAY, OCT. 27, 1877.

AROUND TOWN.

Rain yesterday.

There was a heavy white frost here Tuesday morning last.

Dr. B. A. Morton, W. D. McGinley, Esq., and Masters Geo. McGinley and Jno. Morton, returned last Saturday from the mountains, loaded with chestnuts—they did not go deer hunting.

The laths near the stovepipe, in the Friends' Church, caught fire Thursday afternoon and caused a panic for a while. Our citizens rushed to the rescue, and the fire was soon extinguished without much damage to the building.

Two English ladies, members of the Society of Friends—named Thistlewaite and Sattlewaite—arrived in this place Friday the 19th inst., from Friendsville, and left Tuesday. They are visiting this country for the purpose of ascertaining the condition of the Society in the different States. On Sabbath last they addressed the Friends of Maryville, in the Friends' Church.

A man named Webb, who was arrested on the charge of breach of trust, was brought before Esquire Garner Wednesday for trial; but quietly stepping out of the Court House, he mounted Deputy Sheriff Freshour's fine horse and dashed out of town, on the Rockford road. The officers of law pursued the fugitive, but did not overtake him until seven or eight miles from town, and then he jumped from the horse and escaped into the woods, the officers firing ten shots at him, none of which seemed to take effect.

Rev. Mr. Strang, who since the close of the late civil war in this country has been residing in Egypt, engaged in missionary work, delivered a lecture at New Providence Presbyterian Church Thursday night last. The house was crowded with our citizens, who highly enjoyed the interesting and instructive remarks of the speaker, who spoke of the customs, habits and personal appearance of the Egyptians, and their moral, political and intellectual progress.—Mr. Strang, though comparatively a young man, is a profound scholar, and is master of several languages. He is a fluent speaker, and so comprehensive and forcible in his delivery that the attention of an audience is attracted as if by some superior magnetic force. He is an earnest and effective missionary worker, and we hope he may long be spared to assist in the great work of Christianizing the nations yet groping in moral and intellectual darkness.

The Women's Synodical Society met at the Baptist Church Friday the 19th inst., Mrs. McClung presiding. Prayer was offered by Rev. W. F. Rogers. Mrs. Prof. Bartlett delivered an address of welcome on behalf of the Home and Foreign Missionary Society, which was replied to by Mrs. Smith, of New Market. The Treasurer reported \$427.15 raised for home and foreign work during the year. This was followed by a verbal report of his mountain work by Rev. Wm. F. Rogers. Fourteen Societies reported through delegates or written and verbal reports sent in. The following officers were elected: Mrs. McClung, President. Vice Presidents: Mrs. Doak, of Holston; Mrs. Aiken, of Union; Mrs. McCorkle, of Kingston. Miss Cunningham, of Jonesboro, Secretary. Mrs. E. T. Hall, of Knoxville, Treasurer of both the Home and Foreign Missions. The Society will meet at Jonesboro next year.

See notice of the sale of Montvale Springs, by Gen. R. N. Hood, Trustee. This valuable summer resort will be disposed of on the 6th of November next. Some enterprising E. Tenn. man, or firm, would do well to purchase these Springs.

We have received a copy of the Chattanooga Weekly Commercial, which we gladly place on our exchange list. The Commercial is a well printed and ably edited journal. We wish the new proprietor, Mr. H. F. Griscom, unlimited success.

The statistical reports showed that Kingston Presbytery consists of thirteen ministers and sixteen churches, having under its care three licentiates and thirteen candidates for the ministry; Union Presbytery consists of twelve ministers and nineteen churches; Holston Presbytery consists of ten ministers, ten churches and five candidates for the ministry.

The Committee on the Narrative of the State of Religion reported as follows: Membership, 3,308; 151 members were added on profession of faith, and 376 dropped from the roll, 70 of this number accounted for by the scaling of Church Rolls.

Rev. Mr. Strang, of the Presbytery of Egypt, United Presbyterian Church, was invited to a seat as corresponding member of the Synod.

The committee on the financial condition of Maryville College reported, showing some embarrassment in paying salaries of professors.

The action of the Board of Trustees of Maryville College, in appointing President P. M. Bartlett as Financial Agent and Prof. T. J. Lamar as his assistant was approved.

Revs. J. W. Willoughby, J. C. Irwin and W. H. Lyle were appointed a Visitation Committee to attend the next Commencement of Maryville College.

Saturday evening was devoted to the cause of Sabbath Schools. Rev. Mr. Strang, who has been a number of years a missionary to Egypt, addressed the assembly. After the address of Mr. Strang, Prof. John Collins read a poem of farewell to Rev. T. T. Alexander and lady, soon to embark for Japan, as follows:

To Rev. T. T. Alexander and wife, ON THE EVE OF THEIR MISSION TO JAPAN.

As once the cry from Macedonia came, In plaintive accents o'er the Aegean sea, "Help us, O brethren, by that sacred Name Whose power from sin and endless death can free;"

So, from the utmost bound of Asia's shore, Where teeming millions bow to gods of stone, Comes mingling with the ceaseless ocean roar, The same sad cry, "O! leave us not alone!"

The voice that once in Sinai's thunders rolled, And Deity in fearful power revealed, In gentler tones, the will divine hath told, "Go, teach all nations in the harvest field."

Responsive to that call, a Saviour's love Now sends these dear ones o'er the waters wide, To dark idolaters their faith to prove And tell the story of the Crucified.

Bound in the Spirit, not the gathered tears Nor pleadings of their loving friends avail To shake their constancy or move their fears,

That in their high commission they should fail, What though the ties of home and earlier day Be inter-twined around each faithful heart,

What though shall come the last, fond, lingering gaze

Of nearest kin, and the sad hour to part; He who hath called them from their native land

Will be alike their Father and their God; Led by his guiding and Almighty hand, In Him alone shall be their safe abode.

His promise is of old, "I ne'er will leave— Never desert thee in the time of need: Man, though a brother, may betray or grieve,—

Me thou shalt always find a Friend indeed."

Here have we met, dear souls, with one accord, To teach the lesson of the Sabbath hour, Here have we listened to the sacred word Explained in all its fullness and its power;

What joyful hymns of praise have risen hence, In spirit and with understanding sung; How oft have prayers to God our sure defence,

United come from every heart or tongue! We meet no more within these hallowed walls:

'Tis ours to stay, as year by year rolls by; 'Tis yours to go where Christian duty calls, And labor 'neath a strange, barbaric sky.

Yet a few days of toil and earnest prayer For souls benighted in a foreign clime, And He, whose Gospel message now ye bear, Shall crown your mission with reward sublime.

To Him we now commend you—may His love Dwell in you richly more than tongue can tell;

We part, ere long to meet in heaven above, Where never more is heard the word "Farewell."

Important to Horse Owners

Sure Cure for Horse Colic. SPRINGDALE, CLAIRBORNE, CO., TENN., October 6, 1877.

Messrs. Sanford, Camberlain & Albers, Proprietors of Dr. Hart's Great Relief, Knoxville, Tenn.:

GENTS: I feel it due to the public to inform you that I have made an experiment with your Hart's Relief that I consider to be worth millions of dollars to the public. On the 3d of this month, Mr. Jasper Hearill, rode a fine young mare to my wool carding machine and in a few moments she was down rolling with the colic. Having no medicine at hand except a bottle of Dr. Hart's Relief and hearing it said that what was good for man was good for a horse, I advised its use and we put a tablespoonful of the Relief in a pint of water and poured it down the suffering animal, and to our surprise in about five minutes she was quiet and all right. The next day a mare of mine while in the plow turning land for wheat was taken with colic, and we treated her the same way as we had done Mr. Hearill's and with the same result, in about the same time. I am fully satisfied that the Relief will effect a cure in all cases of colic, if given soon after the attack. I think the public ought to be well informed and by all possible means, and also advised to keep one bottle at least always on hand for immediate use. I have no other motive in sending you this except duty and to alleviate pain.

JACOB J. PARKS

J. J. Parks is a very responsible man and handed me this to send to you for publication, which you can do if you wish or as much of it as you think proper. Yours, truly,

J. W. DIVINE, M. D.

Tazewell, Tenn.

Capt. F. D. Fulkerson informs us that the house of Mr. John McGhee, near Chilhowee, was destroyed by fire Wednesday last. The fire caught from a stovepipe, and spread with such rapidity that very few household goods were saved.

We learn that Mrs. Mary Hamilton committed suicide at Hamilton Mills, Loudon county, a few days ago. She was found in the smokehouse, suspended from a beam by a hank of yarn, and expired immediately after being cut down. Insanity was the motive. She was a daughter of Mr. Wm. Kittrell, of Loudon county.

Florida.

A throng of sufferers with coughs and colds, annually go South to enjoy the ethereal mildness of the land of flowers. To them we would say the necessity of that expensive trip is obviated by Compound Honey of Tar, which speedily vanquishes the coughs and colds incident to this rigorous climate.

For public speakers it surpasses the Demosthenic regimen of "pebbles and sea shore" clearing the throat until the voice rings with the silvery cadence of a bell. Use Compound Honey of Tar Price 50 cents a bottle.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaint is the direct cause of seventy-five per cent. of such maladies as Billiousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.

Astonishing Success.

It is the duty of every person who has used ROEBUCK'S GERMAN SYRUP to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor dying consumptive, at least to try one bottle, as 40,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the GERMAN SYRUP cannot be too widely known. Ask your Druggist about it. Sample Bottles to try sold at 10 cents. Regular size 75 cents. For sale by J. M. Currier, Maryville.

The Buckeye.

It is a well established fact, that Tabler's Buckeye Pile Ointment will cure, if used according to directions; the Esculus Hippocastanum, or Horse Chestnut, commonly known as the Buckeye; has been highly esteemed for many years, owing to the fact that it possesses virtues, lying in the bitter principle called Esculin, which can be utilized for the cure of Piles. If affected with that terrible disease, use Buckeye Pile Ointment, and be relieved.
